1. The lease contracts will convey exclusive dry land farming and/or grazing rights, subject to the reserved rights of the landowner (lessor) to grant business leases, oil and gas leases, rights-of-way and other legal grants as provided in the Lease Contract.

NOTE: Agriculture Lease Contracts are accepted and approved for specific purposes. Timber cutting, hunting, fishing, subleasing, mineral/rock extraction, etc., are strictly prohibited WITHOUT PRIOR CONSENT OF THE LESSOR (PROPERTY OWNER) AND APPROVAL BY THE SUPERINTENDENT.

2. Bidders are to visually inspect the tracts to observe all physical conditions and apparent encumbrances. Bidders cannot secure relief on the plea of error in the bid or for lack of understanding of facts or circumstances. Tracts can be viewed at <http://www.earthpoint.us/>.
3. The Agriculture Lease Contract will be for a term not to exceed five years effective January 01, 2017, unless otherwise specified and determined by the Superintendent.
4. Agriculture Lease Contracts approved pursuant to this notice will be executed and granted by the Superintendent having jurisdiction over the land in accordance with applicable instructions and regulations. With the exception of a single owner, the Indian owners of the particular allotments involved will not be signatory parties on the lease, pursuant to Congressional authority granted to the Superintendent, whose approval will adequately convey and lease the respective Indian owners' interest.
5. The successful bidder will be required to furnish, within 10 days of receipt of the lease contract, a satisfactory performance bond, letter of credit, certificate of deposit, cash bond, or corporate surety, **PAYABLE UPON WRITTEN DEMAND**, in addition to a special bonding fee, to be maintained at the Anadarko Agency for the duration of the lease contract. The bond, letter of credit, etc., will be for one year's rental and will include the cost of any required improvements to the land as stated in the lease contract. This will be strictly enforced.
6. The Additional Lease Requirements (Revised 1976-SMC Stipulation Sheet) will be executed and made a part of the lease file. Interested bidders are encouraged to confer with the Anadarko Agency Land Operations, Soil Conservationist personnel relative to the land use or conservation program, and improvements at (405) 247-6677, extensions 569, 546, and 507.
7. No deposits will be required with the bids.

8. Offers will be submitted on the attached Bid Sheet. Additional copies may be duplicated using the attached form. All lands are offered on the highest annual consideration. Annual lease rental includes bid and estimated costs of major improvements. Minor improvement proposals will not be considered as part of the bid.
9. A provision is incorporated in each lease contract granted as a result of this advertisement to the effect that the lessee agrees to release a portion or portions of the lease premises for home site purposes as required by the lessor or the Anadarko Agency Superintendent.
10. For tracts with less than 100% trust interest, bids will be accepted and considered for the undivided trust interest only. **Lessee is responsible for negotiating with owner(s) of the undivided fee interest.**
11. In the event the land is advertised for public sale and sold as a result thereof, the Lease Contract shall terminate at the end of the Lease Contract year following the year in which the land is advertised. The rental hereunder for the remainder of the term of the Lease Contract shall be reduced by an amount equal to the use value contributed by the portion or portions sold to the entire premises. The Secretary shall be the sole and final judge as to the rental adjustment.
12. **ADDITIONAL LEASE REQUIREMENTS.** (Conservation Stipulation Sheet) will be executed and made a part of the lease. Damages for non-compliance will be enforced. Interested bidders are to contact the BIA Soil Conservationist concerning land use, conservation practices, and/or required improvements. All required improvements must be finished by stated completion date. Stocking rates are calculated based on soil type and forage availability found on the tract. Required improvements must be protected by bond and will be enforced the duration of the lease or until improvements are completed and approved by this office.
13. Prior to approval of any lease contract, a non-refundable filing fee and flat rate fee of \$60.00 will be applied to each Lease Contract. The non-refundable fee will be 3% of the annual rental amount, including any percentage based rent that can be reasonably estimated. The minimum filing fee is \$15.00 and the maximum filing fee is \$500.00.
14. All agriculture lease contracts will be on an approved Departmental Form at the Anadarko Agency. Successful bidders will return the lease contracts with all supporting forms and verification of filing fee payment within **TEN DAYS** from the date written on the Instruction Sheet provided with the lease contract.
15. It is the successful bidder's responsibility to ensure all contact information is current for the duration of the lease contract.

16. ANNUAL RENTALS ARE DUE AND PAYABLE TO THE LOCKBOX ADDRESS ON OR BEFORE JANUARY 01 OF EACH YEAR. All agriculture lease contracts approved under this advertisement will be 100% Agency Pay. NO MODIFICATIONS WILL BE ALLOWED. No personal checks accepted. All payments mailed to the Lockbox must include the Payment Invoice which includes the lease number and amount to be paid for each lease contract to ensure proper payments are made. It is understood payment is due January 01. Any claims of not receiving a Payment Invoice does not validate late payment.

Failure to pay the annual rental by the due date is a lease compliance violation. The annual rental payment will be late if not received and marked paid in the official system of records (Lockbox) on or before January 01 of each year. Post marked dates are not given any consideration. Ten percent (10%) interest of the annual rental due will be assessed and added to the amount the LESSEE failed to pay, underpaid, or failed to pay by the due date.

17. Items Numbers advertised may be excluded from the Lease Sale the day of due to pending negotiations. Contact the Anadarko Agency, Surface Leasing Section at (405) 247-6677, extensions 531, 535, 549, 556, 557, or 528 prior to the Lease Sale concerning Items Numbers advertised.
